Betreff: Re: ECRA: Membership Fee 2020 (SRB-GSS RS)

Dear Kurt,

Thank you for your email, I hope you are well given the circumstances. We are happy to see that ECRA is still persistent to organize the General Assembly online even though the pandemic is still not giving in.

We acknowledge your email and are currently organizing the payment for 2020 Membership fee which you can expect over the course of next few days.

The question of 2016 and 2017 membership fees has been brought up for a few times over the last few years and our understanding was that the membership for those 2 years was not mandatory but on a voluntary basis (as some sort of a contribution to ECRA's cause) which is why it wasn't paid until now. Judging from your last email it is clear that this is not the case (at least not anymore) and that 2016 and 2017 membership fees are mandatory for all ECRA members, and since that is the case we agree to pay them (I guess we don't have other options :)).

However, we would kindly request for a postponement of '16 and '17 payments for a few months for the following reason:

Mountain Rescue Service of Serbia is currently not in a great financial situation as our funding is greatly reduced this year due to Coronavirus pandemic and our budgets were cut in favor of other medical institutions. If it's possible to delay this payment until the end of Q1 2021, we would highly appreciate your understanding.

Mountain Rescue Service of Serbia has been a member of ECRA for many years and we value our membership in ECRA very much, which is why we don't intend to put ourselves in a position where our membership is brought in question. We merely ask for a postponement of the deadline for payment of 2016 and 2017 membership fees.

Please, let us know if this would be possible.

Best regards,

Dusan Starinac
